

Kids Spring Farmers Market

Woodbine Elementary School

2024 Impact Report

About our Kids Farmers Market

Our farmers markets are a celebration of the completion of our 10-week curriculum. The markets provide opportunities for kids to use 'Food Literacy Bucks' to shop for fresh fruits and vegetables, giving them the opportunity to choose their favorite produce, learn financial literacy skills, and practice what they've learned in class with their families at home. The market is free to our students.

Inspiring Kids to Eat their Veggies

- **54 Woodbine Elementary students** received a bag filled with fruits and vegetables
- Students received 740lbs. of free produce

"My favorite veggie I bought today was broccoli!"

-4th Grader

Pomelo Partners at Farmers Market

SAFE Credit Union and Edible Schoolyard Stockton rolled up their sleeves and joined the jalapeño fun at our farmers market.
